It appears things all over are improving, even the current gas situation is being resolved very quickly. I sincerely hope everyone is still doing well. The CDC just announced that anyone who is fully vaccinated can now be outside or inside without wearing a mask. This is good news - but we still need to continue taking precautions to remain safe.

We have received some very sad news. Rudy Desmond passed away recently. Rudy was a special person and a great friend to all of us. He was held dear to our hearts.

Judy Lewis has had some heart problems and had a stay in the hospital. Now, her husband Leon Lewis is in the hospital with heart problems. Please remember them in your prayers. If you know of others who are sick or having health problems, let us know!

Our next meeting will be May 27, 2021. Ballots will be cast for the election of officers for the period of 2021 -2022. No business will be discussed. The doors will open at 4:30 pm and anyone can come to vote and leave anytime desired. Drinks and sandwiches will be available. We hope all our members will come out and vote as we would like to see a good turnout. For your consideration, information on the ballot is shown in this newsletter. May the new Legion calendar year bring many different and better ways to serve our members.

For God and Country,

*John Wilson*  
Commander

Howdy Ya'll,

Do you remember that cereal commercial for "Nuttin' Honey"? Well, that's pretty much what got done at the Seventh District meeting in Chatsworth Saturday. There wasn't a quorum, so no voting or official business. There were doughnuts, Harrison prayed "Lord, It's me again", we saluted the U.S. Flag and planned what we were going to discuss at the next meeting. So it was a good morning.

SAL wants AND needs your input concerning worthy causes for donations or a project for a veteran. Maybe you have a suggestion (or 2)... We still have the goal of presenting a "Four Chaplains Ceremony".

Sing-cerely,

*Anthony J. Robertson*  
SAL Commander
